He later attended DePaul University, in Chicago and received a Master's Degree in Curriculum and Instruction. In 1981 he received his PhD. in Educational Administration with a minor in Curriculum and Instruction from the University of Wisconsin. During that same year he was a teaching assistant at the University of Wisconsin-Madison, Department of Educational Administration. Also in 1981 he became an Administrative Assistant Principal at Lincoln Junior High School in Mt. Prospect, Illinois.

Dr. Pedicone became Assistant Principal at Flowing Wells Junior High in 1982. In 1984 he became Principal at Flowing Wells High School and currently retains that position. Dr. Pedicone is married, has three children and is involved in several community clubs and activities.

FACULTY- ADMINISTRATION

MARC BURK

IN MEMORY

Mr. Burk began his career with Flowing Wells Schools in 1956. For his first six years, he served as an elementary and junior high school teacher and also as a counselor for the junior and senior high schools. In 1962 he was appointed assistant principal at the junior high school and in 1967 was named principal. He served in this position until 1977. From 1977 until his retirement in 1986 he was Director of Guidance at the high school. Marc was best known to all of us for his sense of fairness, the compassion he had for all with whom he came into contact, his dedication to teamwork, and his sense of humor and quick wit. Marc provided thirty years of dedicated service to our district and we are all going to miss him.

SCHOOL BOARD

Barbara Page, President Roger Stinnett, Beytte Armistead, and Jim Robertson.

Walter Douglas, Jr. **1910-1987**

"Walter Douglas Jr., passes away—He served on the F. W. School Board for 45 years."

Walter Douglas Jr. was a record setter but didn't realize his success until last year. He was the recipient of an award for contributions to academic excellence in public schooling. The awards program described him as "having the longest tenure of any school board president in the United States."

Mr. Douglas served on the school board for 45 years. For 43 of those years he had served as president.

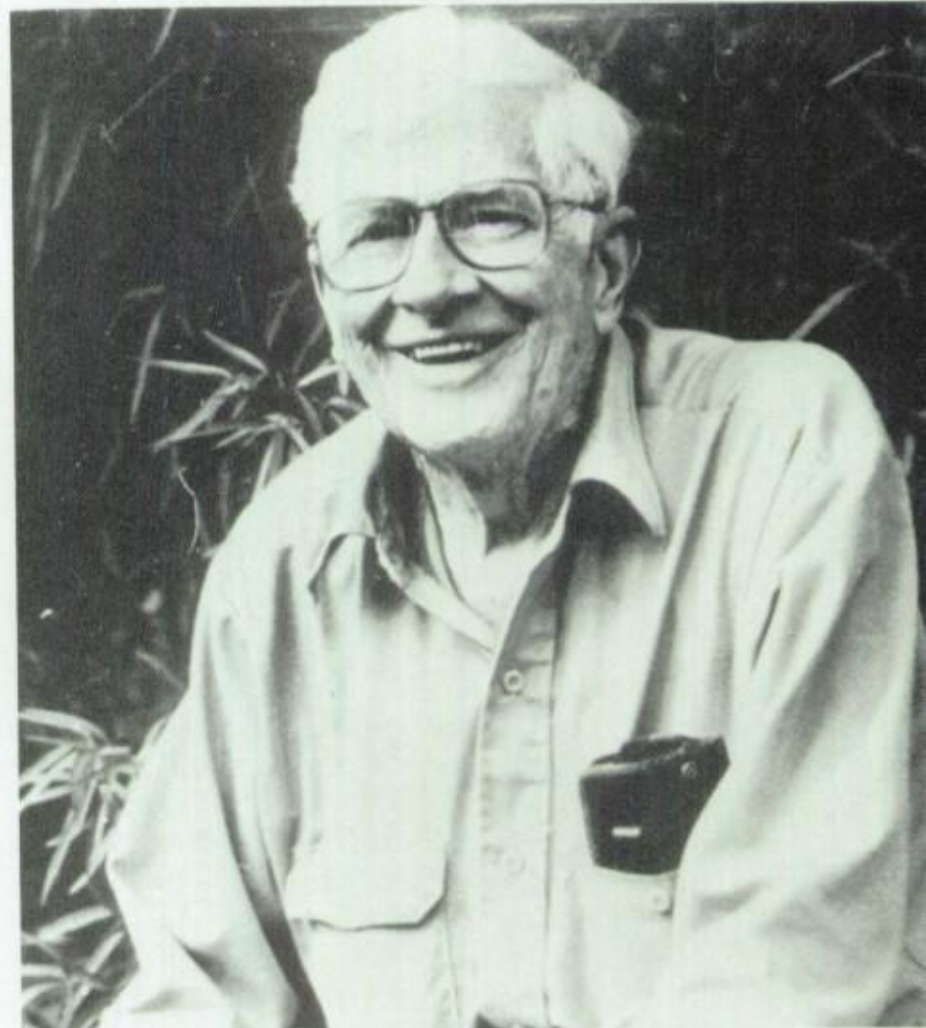

When he first served on the school board the district had only seventy nine students and one building to house all 12 grades.

His achievements included hiring 300 teachers and dividing the district into four elementary schools, one junior high, one senior high school and one alternative school.

During his tenure on the school board his four children went through the Flowing Wells school system.

Mr. Douglas reflected his leadership in a great many students, both past and present. They have all benefitted from him and will miss him greatly.

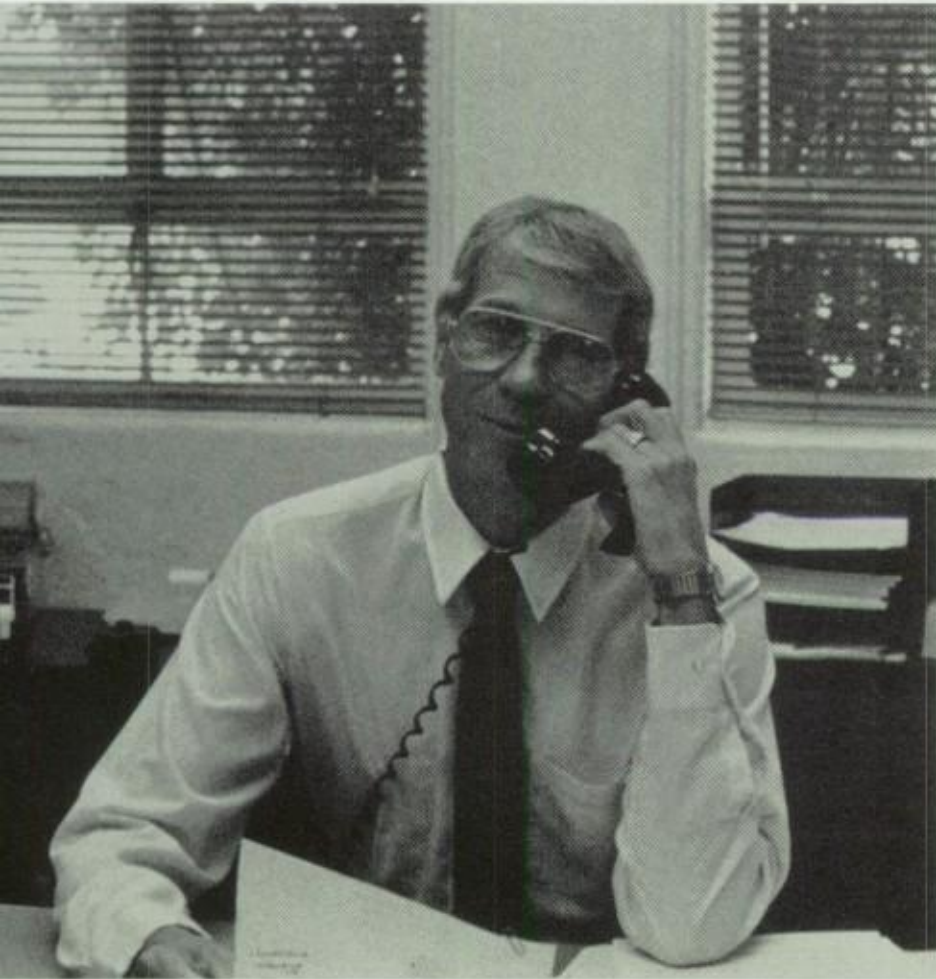

We thank you for your leadership these past 45 years, Mr. Douglas.

ASSISTANT SUPERINTENDENTS

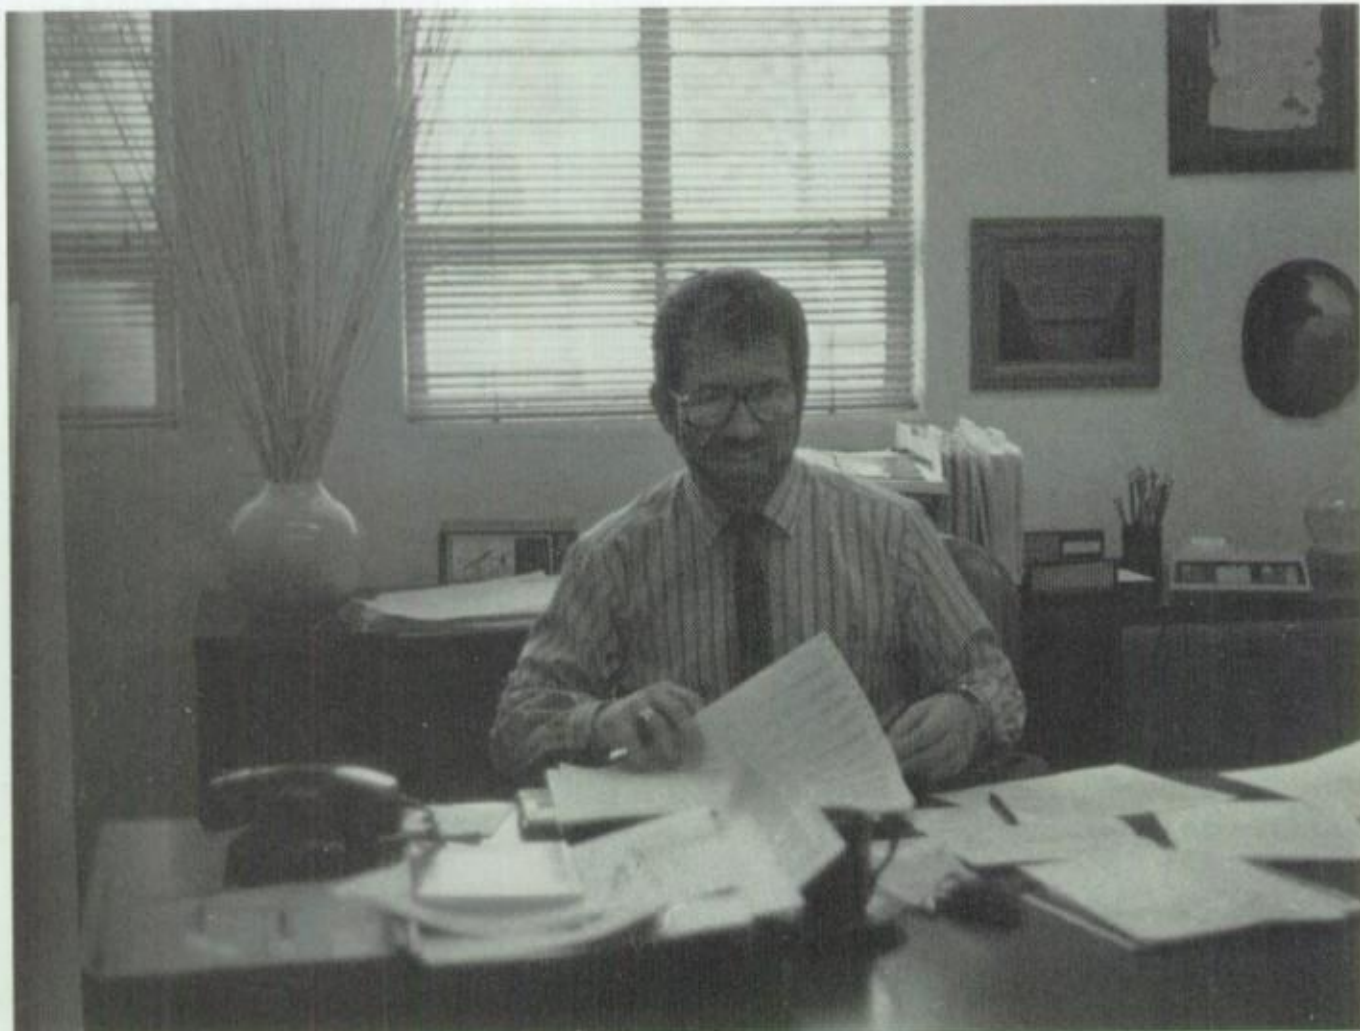

Goodbye to Mr. Hart in his final year.

As an Asst. Superintendent of F.W. Mr. Hart has been with us for many years and as we know he's leaving. What we're trying to say is that we're glad you were with us for all those wonderful years. Thanks.

Mr. Hamil became Asst. Superintendent, having been the principal of the Junior High last year. His new duties include hiring staff members, creating student and personnel handbooks and dealing with personnel conflicts.

Mr. Hamil carrying out his duties.

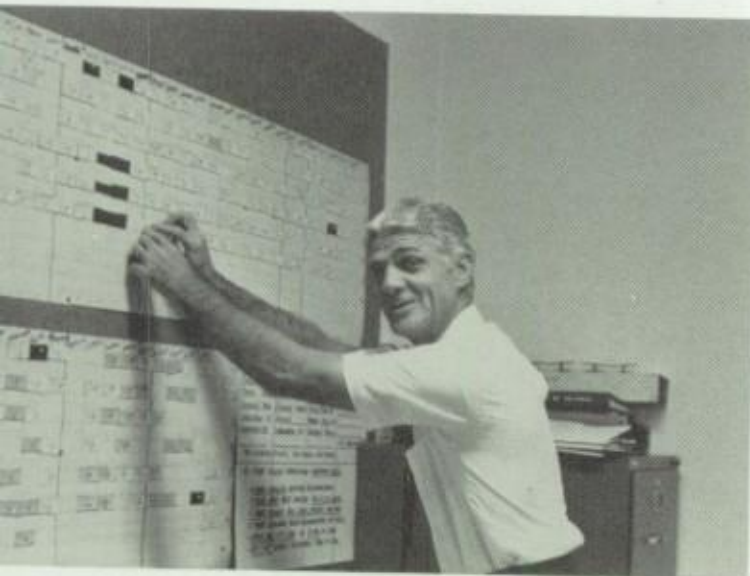

ADMINISTRATIVE STAFF

"You want what?"

Mr. Mike Henry, Dean of Students

"Place your bets."

Mrs. Blair is very proud of being "Teacher Of The Year" last year. She is very happy to be an administrative assistant now. She really enjoys working with Flowing Wells students.

One of Flowing Wells finest!

Mr. Sorich has been with us for many years and we are really glad that he's still with us. He always has a smile on his face and he's just an all around nice guy.

COUNSELORS

FR Dave Patterson, Jim Butler, Karyn Blair, BR Jean Clark, Mark Latham, Becky Quick, and Marc Burk

As a senior counselor Mr. Patterson is very anxious to see the seniors finish high school, graduate, and start a life of their own. In his spare time he enjoys playing volleyball, and taking short trips on his motorcycle.

The freshman counselor, Mr. Butler, is a very understanding man. He is very glad that we got off to a good start and hopes for a fulfilling year. In his spare time he swims, travels from coast to coast and spends time at his cabin in Mt. Lemon.

Mrs. Blair is very happy to be working with students. She looks forward to helping them cope with their problems. She was thrilled when she won the "Teacher Of The Year" award, and was very thankful for the recognition.

Mrs. Clark, our newest addition to the counseling team, is getting to know the students and administration very well. She enjoys the other counselor's warm attitude and acceptance. She plays musical instruments, sings songs, does crafts and sews. She is our junior counselor.

As coach of the golf team, Dr. Latham has had a great time at Flowing Wells. He loves to coach and play golf. He really enjoys working with the kids and helping them out with their problems. He is very well liked by both the students and the administration. We all hope that he is going to be with us for future years to come.

Our sophomore counselor this year is Betty Quick. She has found everyone here to be friendly and easy to work with. She enjoys downhill skiing and playing the guitar.

VALEDICTORIAN

I feel extremely fortunate that I have been able to attend and graduate from Flowing Wells High School. Throughout my high school career I have developed not only my scholastic abilities, but my individual character as well. This has been accomplished largely due to the broad range of academic, athletic, and extra-curricular programs which are offered at Flowing Wells. My favorite year has definitely been my senior year. There are several reasons for this including my academic and extra-curricular involvement, my closeness to the Class of '87, and my personal friendships with both students and teachers. In my spare time, I enjoy playing golf, basketball, baseball, and being in the outdoors.

I feel that every individual should strive to be a well-rounded, well-developed person who tries to make the most of their God given talents. Because of this, I am hoping to enhance and further my education at a nationally accredited college or university. At this point, I am still undecided as to an institution, but I have narrowed my choices to UCLA, the United States Air Force Academy, or United States Naval Academy where I am hoping to major in either electrical or aeronautical engineering.

In conclusion, I would like to thank both my parents and all of the people at Flowing Wells High School for providing me with an outstanding education and countless memories that I will cherish throughout my life.

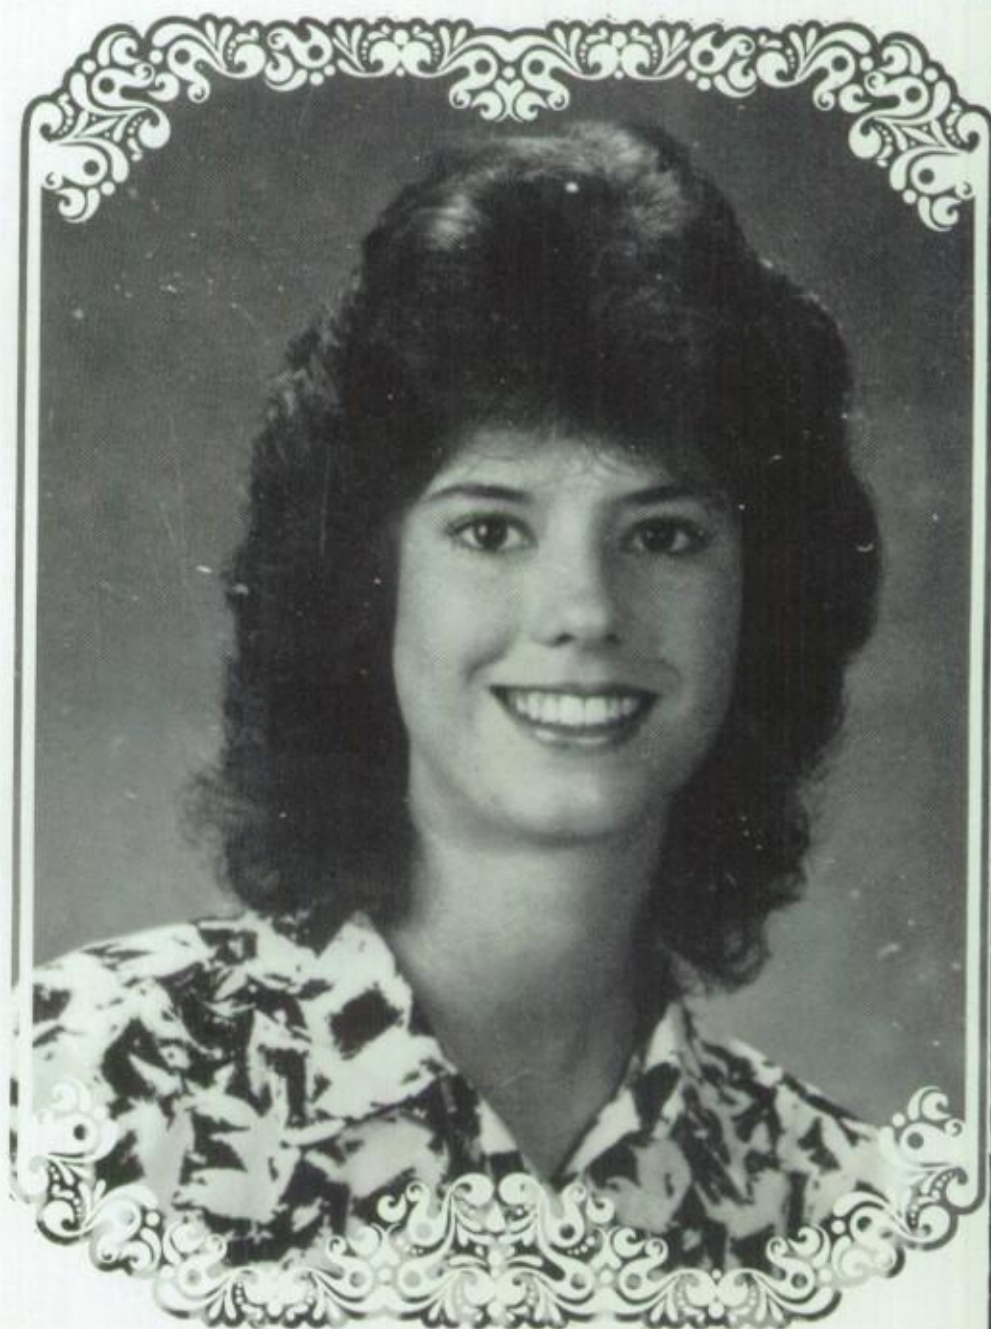

Alan Scott Knitowski

I have attended Flowing Wells High School since my freshman year. There are many things that I value about my years here. Firstly, I value the friendships I made with many students and teachers. I think the relaxed atmosphere allowed for good relationships. There are also many school activities in which I enjoyed participating. I had the privilege of performing in several Advanced Drama plays and becoming a member of the Choralaires. A club I will always be grateful I joined is the Exchange Club. The memories from the trip will last forever. I commend Flowing Wells for establishing this program. During high school I was also involved in out of school activities, such as playing the piano and being an active member of my church Youth Group. After graduation I plan to attend the University of Arizona where I will most likely prepare to become a high school teacher of either English or Drama. In closing I would like to thank all of the people who helped make my years at Flowing Wells memorable ones.

ALL STATE

Bottom: Darlene Freeman, Theresa Bedoya, Top: Alan

All State is two boys and two girls who are picked from our school to conduct a state. Every school picks people, and they all work together to run a state. This is a great way for experience in running the government.

Anytowners is a program where students learn how to look at people from the inside instead of the outside. They learn about prejudice, and about feelings. Tammy Groth said, "It's hard to really explain unless you've been there. It's like getting a cut on your finger. You can't describe it unless you have experienced it."

Dust

Someday in the future
when the memories are fading fast
you'll find this dusty yearbook
with the memories of the past
one by one you'll turn
the pages of this book
reminiscing of your friends
and the way they used to look
You'll remember all the parties
and all your crazy friends
and maybe shed a tear
when high school finally ends.
Remembering the food
well, it was good in a way
but sometime irritating
when it walked away
Remembering the forgotten rules
of the student guide
and how those little freshmen
would always run and hide.
Then on graduation day
it's time to say good-bye
to all the friends you once had
at Flowing Wells High.

By: Robert Carranza—11th Grade

When I think I am all alone **A True Friend Is There**
And I don't know where to turn,
I know that you will be there
To accept me and let me learn.

When all I have done that day
Seems to have failed,
I know I can trust you
For when I was sad you mourned.

When ever the weather is fair
And that season's friends abound,
I can count on you
You're always around.

When all is cheery and bright
And I feel as though all is right,
I know you will be there
For you've been my friend through
life's days and life's nights.

I remember getting kicked off the morning announcement because Mr. Catt didn't like my jokes. I remember getting fired for having an "attitude problem". I remember being the only senior in my Government class that stayed on Senior Ditch Day and being the only senior whose next Saturday was free.

I remember . . . when I got busted on Senior ditch day and didn't make it. We can't forget the old hang out "Senior Taco". The body building contest my sophomore year. My closest friends, Barbie, Missy, Wendi, Angie, Michelle, Janie, and all the others. What I went through when Danny had his wreck. Just the years at FWHS and they will never return again. So keep them going. Good luck to everyone. Make a future of it.

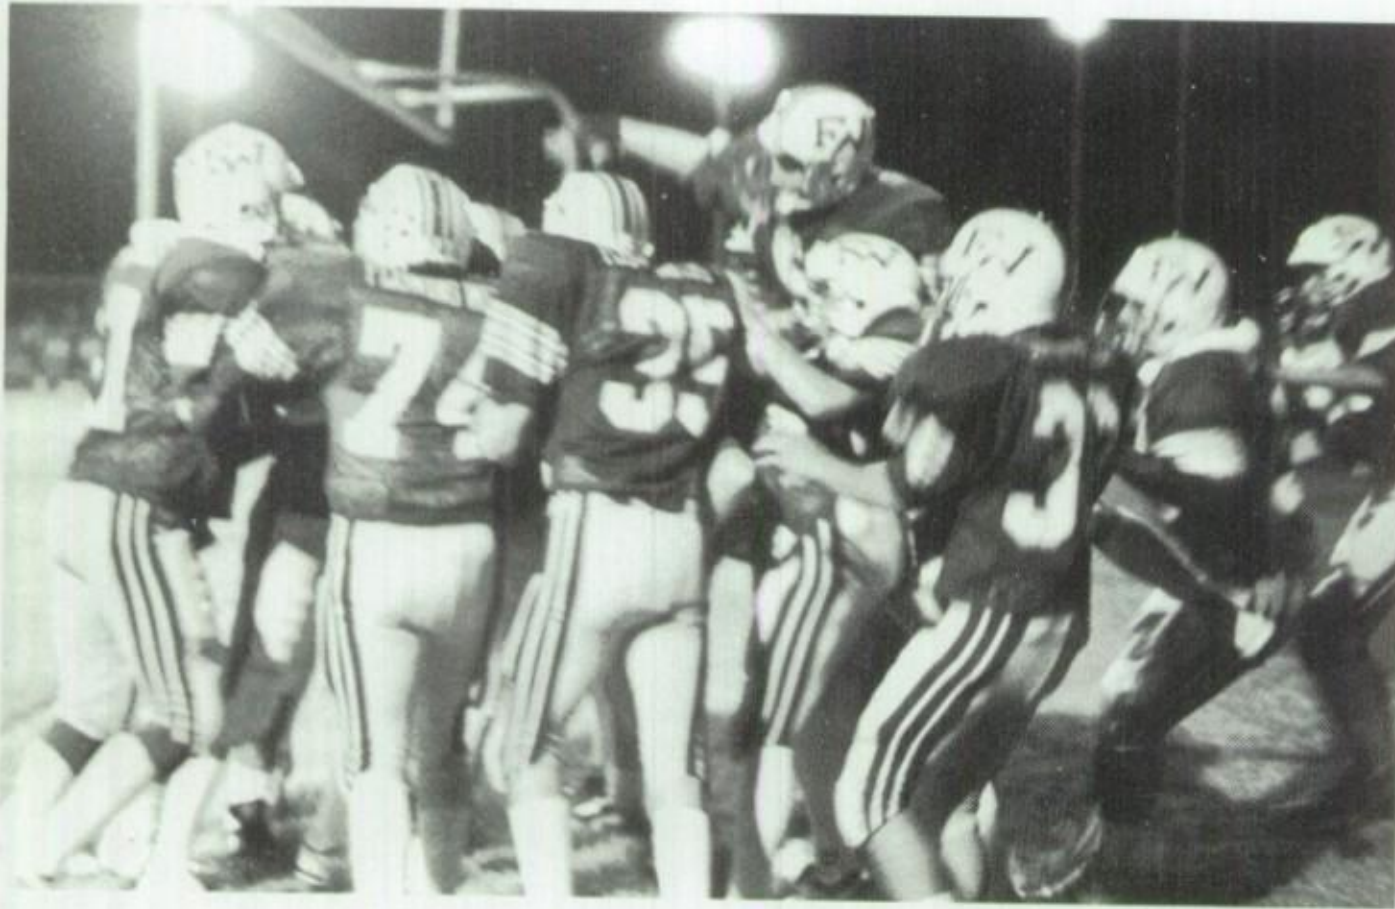

I remember . . . when summer days were for whiffleball and nights for football. MPM and I used rubber worms to decorate roofs. Hacky-sack at football games. MPM and I used baseball bats as guns to play war with coach A's son on the way back from Marana. K. B. and I tried to play racquetball on weekends. 6:30 weight training with the swim team. Soap hockey was what made a lot of road trips fun. M. F. C. got stuck on a roof.

VARSITY VOLLEYBALL

The Flowing Wells Varsity Volleyball Cabs had an exceptional season this year with 14 wins and only 2 losses on conference level.

The season's pace focused around three players: senior Kim Kotchou, senior Cherie Vandewalker, who set a school record with 24 kills in a single game, and junior Michelle Coty with 230 kills for the season, also a school record.

In addition to conference play, the Varsity Cabs also competed in the Flowing Wells Invitational, where they came in third with a record of 4-1, and just recently, the divisional tournament, winning two of the three games, which was good for second place and a trip to state.

REMEMBER WHEN

Remember . . . when everybody got Saturdays for going to Senior ditch day. Me and Danell had "The Andy club". T. B. pulled my shorts down at v-ball camp. We went to state. Remember girls state Darlene? (cholla, cholla, oh-boy-a). Walking like es down the halls. Going to Mass. And my bud-pearl. Traci's car got dented at the party. The cks we thought up at camp. Tripping on the tree re. The fight on Halloween night our freshman ar. Pumpkins. Hitting Terri and Jorge with the g. Going through the haunted mansion with T. and J. L. Skiing with Danel and Jesse. My orite cous. Anne and our X-mas picture. When F. and I stole newspapers for the float. Endless rtying on the senior fling with Palo Verde. Being ck with a P.V. dude and not rescuing D. F. from e Marina. It rained on homecoming (boohoo). ing sold for a dollar on slave day. When Angie s my best friend and all the fun times we had. the way to rocky horror with the squirt bottles d the cop saying "Knock it off". Darlene, Danel, aci, and I decided we were going to marry Jeff ewart at the X-mas party. When I was shorter an my sister—Ha Ha. The "smoke filled room". en graduation was an unimaginable thing.

Remember . . . when we had to walk on Speedway m Wilmont to Park. I got my car taken away. I came a wrestling cheerleader. The trip to oria. When we were the only ones with spirit at e basketball games. I remember Rob watering e parking lot. I remember C. T., G. G., R. M., and ot kicked out of the Dunkin Donuts. Bombing e ducks at 2:30 A.M. Sheri's first party ex-erience with us. G. G., G. C., R. M., and D.? and I

took the A.T.C. for a spin and ended up in the hospital. I met G. G. and how crazy she was and still is. Love ya babe. It is Babe isn't it? All the great times w/my friends. I'll miss ya.

I remember . . . when I first met Laurel and Gigi. They were so sweet and funny. They swore that they would break me in and be a party animal. Well they did accomplish somewhat of that goal. After the wrestling game against Nogales we went to two parties. When we went to the party I remember the look on Jorge's face. It took him and some other people to realize it was me. I remember when I first met Frank and Johnny. They were really nice. I remember Senior Ditch day. I will remember all of the friends that I have met through Laurel and Gigi. The experiences that we had in aerobics were all exciting. I remember the first time that I met Forrest. I didn't like the guy but as time went on I came to love him. With the experiences and times that I shared with my friends will long be remembered.

I remember when M. T. had . . . falling asleep at Sundance . . . N. R. dropping the eggs on the porch . . . when D. C., C. H., A. C. and I had that incident with T. B., N. G., D. C., and I always going to Viv's house after practice . . . McDonalds . . . pedestrian . . . who loves you babe. C. H. passing out in the back seat of A. C.'s car. M. C. M. C. and I pretending we were donkeys on the softball field . . . D. C. dressing up like a cholla . . . E. P. walking through the screen door . . . staying at D. L.'s house till 5:00 A.M. . . . D. C. and I buying all the food for third hour . . . playing the trick on K. V.

coming home from Douglas . . . winning state my freshman year . . . all the great times I had with my friends, I'll never forget them!

I remember when I became a Christian and it made my whole life better! When D. L. said we'd get married, all the crazy things Roho and I used to do and how bad it hurt when she moved—when Mark died and how awful it was, when I knew it was it! The TC banquet, my Junior prom, my broken hearts, when I was in love with Tim S. How much fun I had with John and how much he meant to me. When 87 seemed so far away. When C. A.'s car caught fire. When A. C.'s parents were arrested. When A. D. got a car, when I got a kiss from B. C. Spending time with T. J. The first dance of my senior year, going to momma's all of the time . . . going out with Jeff Dotts (the greatest guy that lives on this earth . . . my hero) my summer in Oregon . . . the countdown to graduation!!! Somewhere out there, if love can see us through, then we'll be together, somewhere out there where dreams come true.

I remember when . . . MR. "DORK" got a dart-board of me for Christmas for B. B. and K. W. and put \$25 a shot on the bottom of it. When I got into Adv. Photo and was the most picked on sophomore in the class, thanks to Mr. "DORK" and D. B. when me and T. H. christened MR. "S", Dork of the year, with a t-shirt that said dork on the back. When me and T. H. were Best Friends, I miss ya DORK!!!! Taking a sophomore Eng. class while being a senior . . . And most of all I remember all the great times at F.W.H.S.

OUR SENIOR YEAR

Our Senior year brings on many
mixed emotions.
Dreams of what's out there on far
away oceans.
As we look ahead to the end of the
year.
A certain emptiness fills the air.
Knowing friends and enemies will
soon be apart.
The bitter-sweet memories linger
in our hearts.
Many things wait for us out there.
As the end to our high school days
draws near.
The true loves and fun dates.
Remember always those you love
and those you hate.
Remember the hottest car and the
newest look.

And all the things you wrote in
your school book.
So look around and notice the
sleepy eyes and nodding heads.
Recall the one office that everyone
dreads.
As we put on our caps and silken
gowns.
Let's all stop and take a look
around.
We did it together and came out
on top.
But this isn't the end, this isn't
where it stops.
If you believe in yourself, what you
want will be.
So be proud, take pride and live
life completely.
